- You can use the **colorcodes** for the yarn/beads, or **eyeball the hue and pick colors from your stash**. The colorcodes are recommendations, not rules. ;)
- Dark blue is the Background color!** You do not need this as yarn/beads, if you work on the pattern without background!
- Green Yellow** is Nachtlcht Ponys neon yellow haircolor. You can use neon or any cold yellow you like.
- If the Pattern consists of more than one page, the pattern overview on the lower left corner will indicate which part is shown as here:
